

Part of the AGZ Group

Due to on-going growth we are currently looking to recruit for the following position to work within our sub-contract engineering organisation. This is an exciting opportunity for the successful applicants to join our well-established engineering company.

Modern Apprenticeship in Fabrication & Welding Training supported to HNC level over a four year period.

The successful candidate will have the following:-

- A genuine interest in Engineering / Manufacturing
- A keen appetite for learning, along with an enthusiastic approach to work and life.
- Good problem solving skills are essential.
- Able to work well in a team environment with excellent communication skills.
- Operate at all times within current quality and health & safety regulations. (ISO 9001 - OHSAS 18001).

Please send CV with a covering letter to:-
