

Part of the AGZ Group

Gillrick Metalwork are currently looking for a recruit to join our ever-expanding team to work within our subcontract Sheet Metalwork & Fabrication organisation. This is an exciting opportunity for the successful applicant to join our well-established engineering company.

RADAN CAD/CAM Programmer

Key Responsibilities: -

- Creating CAM programmes using Radan/Amada software
- Nesting Parts from 3D and 2D models
- Designing sheet-metal products with 2D Radan software
- Ordering materials, booking in jobs, supporting production

The candidate: -

- Experienced in sheet metal manufacturing environment, 3 + years
- Able to carry out complex tasks with minimum supervision
- The ability to use Radan software is essential
- Have experience of Amada Laser Cutter machines
- Have a good team spirit and able to work with multiple colleagues

Our standard working hours are Monday - Thursday 8.00am – 4.30pm, and Friday 6.00am – 1.00pm.

Overtime available.

We are offering a salary of £15.00 per hour (negotiable dependent on experience)

Please send CV with a covering letter to: -
